

## **Restaurant Pub Manager / Co-Owner** **The Ferry Boat Inn, North Farnbridge**

This is an exciting opportunity for someone looking to run their own business but who does not have the financial means to buy into their own business.

This restaurant/pub opened in 2020 after an extensive and stunning refurbishment and, as stand alone offering, we are looking for someone to step in to run the site as their own, to take the food and service to the right level for the newly renovated and expanded premises.

Revenue is already £1m a year and there is significant room to grow this, increasing your profit share.

The operation has 80 covers inside and 108 outside plus 6 bedrooms. Both covers and rooms can be increased in the future to increase the return to you through a profit share.

If you are interested you must send us a covering letter explaining why you are applying for the role, what you can bring and why you are best to takeover this role and work with us. You need to have proven hospitality experience, drive and passion.

You need to be driven to exceed expectations, be a natural leader and drive the daily operations, both Front of House and in the Kitchen, to give each customer, both those who stay over night in one of our stunning rooms and those who dine with us, an experience to remember.

You must have previous experience running a busy restaurant, be confident, but as ease with working in an attention to detail environment, whilst maintaining an accessible approachable style, both to our staff and customers.

You will be responsible for:

- Managing financials both revenue and costs.
- Maximise covers whilst exceeding the guest experience
- Be organised and understand the importance of keeping accurate records, to ensure the back office records are maintained accurately
- Manage staff rotas, on site training, and recruitment of your team

- Make the pub/restaurant the centre of the local community and a destination for diners.
- Work with the head chef and other key team members to provide excellent food and service each and every day.
- Be able to step in and manage an existing team to make changes.

#### Requirements

- An in-depth knowledge of the hospitality industry
- Strong experience managing a successful service led restaurant operation
- Proven experience of results through great people management
- Excellent communicator, and aspirational leader

As a business partner with us you will receive a share of profits.

This role can include living on-site in the new Manager accommodation on site.

**It is essential that you send in a covering letter with your CV detailing why you think this role suits you and why you are applying for it to be considered for this role.**
